

State Corporation "Turkmengas"

Liquefied hydrocarbon fuel gases for municipal and household consumption

TDS – 20448-90

Brand - SPBT

Name of indicators	SPBT
1. Mass fraction of components, % The sum of methane, ethane and ethylene	Not standardized
The sum of propane and propylene, not less	Not standardized
Sum of butanes and butylenes, not less, not more	----- 60
2. Volume fraction of liquid residue C, no 20 ° more than	1.6
3. Excess saturated vapor pressure, MPa at plus 45° C at no more minus 20 ° C no more	1.6 -----
4. Mass fraction of H₂S and mercantile sulfur, % no more than	0.013
Including hydrogen sulphide, no more than	0.003
5. Content of free water and alkalis	absence
6. Odor intensity score, no less	3
